Red Cross - Red Crescent movement is the largest volunteer organization in the world. Bangladesh Red Crescent Society (BDRCS) is a national society of the movement, constituted on 31 March 1973 by the President's Order No. 26 of 1973 with retrospective effect from 16 December 1971. This is the biggest humanitarian organization in Bangladesh. As an auxiliary to the government, the Society provides humanitarian assistance to the vulnerable people over the last 48 years and has undertaken a wide range of activities in humanitarian response, disaster management, health, capacity building and in promoting Red Cross/ Red Crescent ideals and principles.

BDRCS is initiating an integrated Isolation and Treatment Center in Ukhia, Cox’s Bazar near camp 7 (Rubber Garden) and in camp 2E. The IITC will be equipped to isolate suspected and confirmed COVID-19 cases from the guest population and offer symptomatic treatment for mild to moderate COVID-19 cases. Severe and critical cases will be referred to higher facilities for the time being. As the pandemic evolves the IITC may be upscaled to include severe case management. BDRCS is calling for applications for around 200 different medical and non-medical positions to be based in the IITC, in Ukhia Upazila under Cox’s Bazar District willing to serve Forcibly Displaced Myanmar Nationals (FDMN) on a large health facility (IITC).

Currently Bangladesh Red Crescent Society is looking for a suitable Bangladeshi national for the following position under Population Movement Operation (PMO), Cox’s Bazar:
